Hello,

Thank you for contacting the California Charter Schools Association. Your message has been received and a member of our Legal or Facilities Team will respond as soon as possible.

If you are requesting assistance under CCSA's Prop 39 Pro Bono Review Program, you will receive a response within 2 business days. Please note that it is our goal to utilize existing attorney-client relationships whenever possible. If you currently work with or have previously worked with outside legal counsel for facilities or other matters and would prefer to use the same counsel for this matter, please let us know the name of that attorney or law firm. To the extent possible, we will do our best to partner you with the same attorney or law firm for review of your Prop. 39 materials.

Thank you again for your inquiry.
